### Extended Day JK

The Extended Day program provides further Kindergarten readiness for our JK students. Your child will attend school until 1:00pm, Monday – Wednesday (or begin at 11:15am Monday – Wednesday for our PM students) to solidify further social skills and provide a smoother transition into a longer day at Kindergarten.

Enrichment activities are available to children in our Three's and Extended Day JK Classes for an additional fee. A separate registration will take place for Enrichment in February.
